Eid Message

from the President of Islamic Council of Western Australia

Assalamu alaikom wa'rahmatullahi wa'barakatuh

Dear Brothers & Sisters

Eid Al-Fitr, is the day of celebration that comes on the completion of the fasting month of Ramadan. It is a joyous occasion, with strong religious significance where charity is an essential part of this special holiday.

We must remember that Eid Al-Fitr is also a day that we celebrate the success of our spiritual improvement. This is because we have just completed the month of Ramadan with faith and obedience so that Eid Al-Fitr will become the witness of our success in preparing the provisions we require for the continuing journeys in the course of our life.

This joyful and blissful day is celebrated to thank the Almighty for His blessings in the holy month of Ramadan. Thus, it is a time to increase our sense of unity and brotherhood, and our commitment to Allah and His creation. Let us strive to continue to provide support and assistance to all and pray for those who are in need. Let us forgive each other for our errors and shortcomings.

The Muslim nation shall not improve unless each and every individual looks at himself, and considers himself directly responsible for the happiness of all. That shall only happen when each individual gives up selfishness, and replaces it with kindness and consideration. Each individual should uphold the true meaning of what the prophet (SAW) said: **'A Muslim to a Muslim is like a built up walls which supports and holds one another'**.

Anas ibn Maalik, (RA), narrated that the Prophet (SW) said, 'Charity extinguishes the anger of the Lord and protects the giver of it from an evil end'. (Tirmithi)

The Prophet (SW) said, **'The shade of the believer on the Day of Judgment will be his charity'**. (Ahmad)

Please remember our brothers and sisters who are suffering around the world in your Dua and may all our Dua be accepted Ameen.

On behalf of the Executive Committee and Imam of the Islamic Council of Western Australia, I wish you all a blessed and rewarding Ramadan and an enjoyable Eid Al-Fitr. May Allah swt accept our fasting, prayer and good actions during this holy month, Ameen.
