ISLAMIC COUNCIL OF WA CONDEMNS WAR ON PALESTINIAN CIVILIANS BY ISRAEL

In the sacred month of Ramadan for Muslims all over the world, Israeli government has once again launched its extreme terror with cowardly airstrikes killing civilians and destroying Palestinian infrastructure. Islamic Council of Western Australia condemns every Zionist terror tactic and militarism that indiscriminately kills civilians.

The death toll in Gaza reached 204, with more than 1,520 people injured. About 70% of the fatalities were civilians, of which 30% were children according to the United Nations Relief and Works Agency for Palestine Refugees.

Since Israel keeps proceeding very proactively with a colonizing program in the West Bank and East Jerusalem, while ignoring all international treaties, we will continue to see Palestinian armed resistance through its own indigenous rockets and missiles as a direct reaction to Israeli terror tactics that targets Palestinians on a regular basis

Islamic Council of Western Australia urges the Australian government and international community to condemn the Likud-led Government of Israel, call for an immediate end to the airstrikes and military aggression against defenceless Palestinian civilians.

It is tragic that civil wars and turmoil rages across the Muslim lands in the holy month of Ramadan this year. The militarisation of the region, national fragmentation and bloodletting has to stop. Muslims of Western Australia pray for peace for all humanity and ask Allah's divine justice to prevail.
